

2007-2008 VETA Calendar

Welcome!! Here you will find a calendar of events for the year. It will be updated as necessary throughout the year.

All sites are entitled to 2 site representatives -- please make sure every site is covered and all voices are heard. One veteran and one newbie would be absolutely terrific. I know no one needs one more thing to do but we assure you... it is painless to be the rep. -- just a small investment of time. We start and end on time... honest. You both may come to Rep. Council and TAC or split the job or alternate or..... be creative.

Remember, if you don't have reps. you don't have a voice. Volunteer this year!!
